[QProGOPRecovery] Please indicate whether you think each of the following is a good or bad reason to vote FOR a REPUBLICAN candidate

-States with Republican governors recovered more quickly from the pandemic, with lower unemployment rates and a stronger economy. Americans today are voting with their feet, moving to red states like Florida and away from blue

[QAntiDemInflation] Please indicate whether you think each of the following is a good or bad reason to vote AGAINST a DEMOCRATIC candidate.

-Inflation is over 8% and America has had two quarters of negative economic growth, the definition of a recession.  
Americans now have less money in their pockets thanks to Biden and Democrat spending policies.

[QLoansBiden] President Joe Biden recently announced student loan forgiveness of \$10,000 for most borrowers. Proponents of this plan say it's a lifeline for borrowers crushed by high levels of student debt. Opponents say it is unfair to people who paid off their loans and the benefits would go to college graduates with higher incomes. Do you think this student loan forgiveness is a good idea or a bad idea?
